We Fresh Roast
All Meats in House
Turkey • Corned Beef

We are proud of our house brined and cooked corned beef, you will taste the difference how our chef hand cuts and prepares the brisket
Available in these corned beef dishes; sliders, reuben, topping a RLT, and our platter.

• Haddock Fillets •
The story behind our Haddock fillets; caught in the North atlantic cold waters deeper than their sister the cod.
Fresh line caught and will be the white flakey fillet that all of New England enjoys.
Our fillets on average are smaller than the north atlantic cods and we think with a sweeter and richer flavor.
All orders prepared fresh to order; Guinness beer battered, grilled or blackened for you to enjoy.
